

Your Rewards in the Kingdom of Heaven have to be Earned in this Life

Michael D. Miesch Jr.

I have a great reluctance to write this paper. The Lord said, “Do not be concerned about what people think. Your job is to get this information out.”

The Lord said sharing your personal, private revelations will cause difficulties but you must share them. They will be a source of comfort to those who receive them. My personal and private revelations are published in my books: Lifting the Veil of Revelation and Seven Vital Truths for God’s Children. If you have read my books, there is nothing new here. I am sharing these very personal private revelations for everyone to know there are many rewards in the Kingdom of Heaven. However, these rewards have to be earned in this life. I am writing this to encourage everyone to read and study the books that the Lord commissioned me to write, and to spend time with the Lord so they will have great rewards in the Kingdom of Heaven. The rewards we earn in this life is for all eternity.

Physically Embraced by the Lord Jesus Christ

I was sitting in a chair at home with my eyes closed saying my prayers. Someone grabbed both of my upper arms giving me a gentle shake. When I opened my eyes, there was no one in the room. I had assumed this was an angel. I have had many visions of angels. They have touched me many times to get my attention to pray. **When praying for an understanding, Jesus said:**

“It is Me! It is Me! It is Me! It is good that you are here. I will comfort you here.”

A month later, I had laid my book down to close and rest my eyes. Suddenly my hands were on a person’s upper arms. I started squeezing and feeling the muscles with my hands. I knew immediately this was Jesus. I started telling Him how much I love Him over and over. I pulled His head over my shoulder to hug Him. I did not dare open my eyes as I knew He would disappear the minute I opened my eyes. This lasted less than a minute.

I received understanding that Jesus was extremely pleased that I wrote and am publishing the two books that He asked me to write. He expressed His appreciation by allowing me to physically touch and embraced Him. The Lord said, “You have My strength. I have you in the palm of My hands. I will never leave you nor forsake you.”

Jesus gave me a very beautiful ring. I had not considered this to be a wedding ring, but I do not know. The Bride is the prize of the high-calling that Paul ran a race for with all of his might. Understand that I do not consider myself worthy to be the Lord’s Bride.

Vision of a very beautiful silver ring ½ inch wide with a narrow border of gold on both sides: There were two V inlays of gold on the silver. The bottom part of each V was on the opposite side pointing towards each other. I could not see the top of the V's as it was on the underside of the ring. The gold and silver area was covered with small diamonds. This was the most beautiful ring I had ever seen:

The Spirit says, My son, this ring is a token of My love and appreciation for your loyalty, fidelity and commitment to follow Me. My love for you is the same as the love I had for the betrothed couple at the marriage feast at Cana. With the exchange of the wedding ring at Cana two became one, just as I became one with you with the exchange of the visionary ring. My love for you is as pure as the refined gold and silver in this ring. My covenant of grace with you is as indestructible as the hardness of the diamonds on this ring. **This ring is a ring of appreciation.** Treasure it as much as the crown that was (previously) given to you. You are part of Me which makes you part of royalty. This ring which I have given you makes you heir to My kingdom. It is the Lord God Yahweh who speaks.

Vision of my wife, Ann with a white, rope-like ring, with a large diamond on top. Ann was very excited. She said this was her wedding ring:

Can it be that you should know of My bond for each of you? Yours is somewhat the same. Yet, yours is larger with diamonds and bright red sapphires and studded with flakes of gold and diamonds. It is My gift to each of you. You shall wear it in My kingdom and all that see will know you are Mine.

Dream - I was standing on two poles that were being carried on the shoulders of two men. I was being carried throughout the country side proclaiming to everyone "Israel is set free! Israel is set free!" Then I started praying in tongues. The power of God came all over me. Then I proclaimed again "Israel is set free!" I did not sleep the rest of the night as I could feel the excitement of being carried on the poles on the shoulders of the two men proclaiming "Israel is set free!" and the feeling of the power and the anointing of the Lord on me.

You have led the charge in the spiritual battle, and you will be given the privilege of being one of those who will announce the final victory over Satan. Israel, the Body of Christ, will indeed be set free. You will announce that victory to the acclamation of the people raising their voices in a hymn of victory. It is a hymn similar to the ones the Israelites sang, when David was victorious over the Philistines. The dream is intended as a vision of what your efforts in prayer, fasting and intercessions will result in.

Vision – a tiny red light was seen on the right side inside my right eye next to the pupil.

This red light represents the continuous presence of the Blessed Sacrament within you until you receive communion again.

I do not consider myself a living Eucharist. I just considered it a continuous presence of the Lord Jesus Christ within me until I received communion again.

I have found it interesting that St. Fauntina and Luisa Piccarreta were told by the Lord that they are Living Hosts. The Host is a continuous presence of Jesus in their bodies. St. Fauntina and Luisa Piccarreta did not want to write the messages they were receiving from the Lord nor mention that Jesus called them a living Hosts.

The Lord said to me:

The Lord said, “Give the first part of the morning to me. Give the other part of the time to your family. Rest in Me, I have much to teach you. I want you to enjoy the fruit of your labor as you bring the knowledge of my glory to the people of this planet. At this moment I have already begun to put into motion the people who will publish and distribute your books to all the people of this planet so they will know of My glory.”

Walk a straight line, Mike. This line exemplifies the Holy Spirit. This Spirit is Who wrote your book. Do not yield to any spirit other than Mine. Your books shall be carried to all nations, so that they may hear. Do not modify or change it in any way. Critics, in whom you have a great deal of respect, will try to change your books. But they were not under the anointing of the Spirit, when your pen was in action. So, listen to no one, except those with whom you pray for learning My truth.

The publisher has called the book “Lifting the Veil of Revelation” a five-star book. My books are being sold and resold all over the world. It has been six years since my books were published.

In the Gospels of Matthew, Mark and Luke, Jesus identifies Himself as the Bridegroom, but He does not call His disciples His Bride. He calls them wedding guests or attendants.

The Church is not the Bride of Christ. Those that are not the Bride are called servants. The Bride of Christ is the prize of the high-calling that Paul ran a race for with all of his might. Paul was not talking about salvation. He knows he has salvation as the scripture says whosoever shall call on the name of the Lord shall be saved. Paul was hoping to make the mid-night hour rapture to be a part of the Bride of Christ. Those who are do not make the Bride are called servants. You need to read my books to understand this.

I have fasted two to five days on water or coffee every week for 28 years i.e., from 1970 to 1998. I have been a daily communicant since Lent 1970. I have spent two to three hours every day in prayer since 1970. For years the Lord would wake me in the middle of the night to spend an hour or so in prayer. One time, for about two weeks I was sick, tired, and fatigued. Though I continued to go to Mass every day, I did not spend the two to three hours in daily prayer. The Lord spoke to me and asked are you going to be ready when I come? I responded that I hope to be. I knew the Lord was encouraging me to be faithful in my daily prayer time regardless how tired and fatigued.

I asked the Lord If I was doing enough to be His bride? The Lord said, "My son, My son, no one can do enough to be My Bride. It is Mine to give. I give to whom I choose."

The Lord promised a special blessing in the first and last chapter of the Book of Revelation to those who would read and study it. Without studying the Book of Revelation, you would not realize that the Man-Child is the Bride of Christ. That the multitude before the throne in Revelation 4 and 14 is the Man-Child. Revelation 14 calls the multitude before the throne the first-fruits unto the Lamb. They follow the Lamb wherever He goes. It is the Bride who follows the Lamb wherever he goes. The Man-Child is the mid-night hour rapture and the pretribulation rapture. The Man-Child is born prior to the woman fleeing into the wilderness for three and half years which is the time of the tribulation. The Lord is doing everything He can to encourage people to read and study the Book of Revelation.

Those who do not make the Man-Child Rapture are called servants. They are too numerous to count. They are called tribulation saints. (Revelation 7:9-17)

The Lord said, "Do not be concerned about what people think. Your job is to get this information out." The Lord wants these books read and studied by everyone.
